# MAIN PROJECT GOALS

Use in Stage Two acquired funds to develop first VR Gaming arcades

Turn VR Gaming location-based business into a franchise

Develop staking system for the Genesis NFT holders

Collaborate with virtual reality game development companies

Partnership with VR hardware manufacturing and development companies

Collaborate with other VR/Metaverse related NFT projects

Establish VR eSports league

Partnership with current VR eSport organizations

Create financial support programme for the new VR Gaming Franchise owners

Create themed location-based events for the VR Gaming NFTs holders

Implement and provide all promised utilities for the NFT holders

Create well known brand and a self sufficient business

Grow the business and expand globally
